

Best Practices

Presenting issues related to National and International level: Reading the issues of National and International level in daily assembly helps to introspect, analyze and critically express their ideas in different perspectives. It gives exposure to strengthen the power of oration of the student trainees.

Extension of library facilities: Extending library facilities to the Neighborhood Colleges, alumni and even for the research scholars. Our Reference materials, competitive exam materials are made readily available for the needy. Our library has facilitated more number of scholar to get Ph.D., NET. KSET, TET etc.
